## El Privilegio, the luxury of a destination

25 rooms (10 double, 7 double rooms with wooden sloping ceiling, 3 junior suites, 3 suites with chimney, 1 suite with wooden ceiling with two bathrooms, 1 special suite El Privilegio) • Restaurant • Salon Gourmet • Cava • Cafeteria • 2 meeting rooms • Business center • Internet place • Meeting hall • Spa • Ski-room with changing room • Private parking • Outdoor parking • Sport' s equipment renting and excursions organization.

Since the beginning, El Privilegio de Tena had been thought as a destination. The natural scope, Pyrenees of Huesca, offered all of the enticements as to indulge all the leisure time demands of a tourist profile that is every day more dynamic and broader, with concern for gastronomy, tradition, sports and nature. Such profile is every time more interested to explore authentic sites and enjoy the solitudes, either with a family or as a group of professionals.

Since its inauguration in 2003, El Privilegio has been distinguished as a destination that is a step ahead of the current travel “fashion”. The hotel created innovative installations as not to leave out the aesthetics of the comfort and the hospitality, the signs identifying luxury service.

Surely the incentive track of quality tour proposals demands as well “differentiation””. The representatives of El Privilegio have incorporated every season a new enticement that reflects new clients expectations, which even though faithful, wishes to surprise.

The design of the Lounge Gourmet is one of the last innovations. Stay reserved to taste the last suggestions of the chef of the Restaurant El Privilegio, elaborates a contemporary faithful cuisine to the products of the land and respectful with the tradition.

To give service to managerial meetings, formative days, seminars, desks, presentations and social meetings, the **Professional Polyvalent Lounge** offers a great versatility of variable space that complements itself with the room VIP The Mentidero, business center and Internet.

The relaxation is guaranteed by the extensive letter of treatments of **El Privilegio SPA**, where attractive promotions have joined with gastronomic offer as complement. All the treatments include the ' Tour Well-being ', that allows to enjoy: swimming pool jets, terma, foot-bath, shower of cold fog and bithermal shower, as well as of tasting a tea in the zone of relaxation or resting in the thermo-regulated easy chairs .

The client can choose between **25 exquisite rooms**, with personalized setting, which have connection to Internet, office, letter of pillows, minibar, heating, air conditioning, king-size beds and wide bath. Some with wooden ceiling, others equipped with independent chimney and lounge or with built-in Jacuzzi ... every category offers a different alternative and in all there is guaranteed a cozy stay and prepared for the maximum rest.

## ACTIVITIES | SPORT | ADVENTURE

In the small highland village of Tramacastilla de Tena, it is enjoyed an idyllic landscape with a view to Búbal's reservoir. Covered by high clumps, El Privilegio de Tena has been projected in harmony by this natural environment. Its interior architecture, rich in textures and colors, harmonizes interior and exterior light with the ultramodern comfort of a selective decoration. The innovation and the vanguard represent its facilities, without forgetting that the aesthetics of the comfort and the hospitality are also the signs of identity of a luxury service.

The environment of Tena's Valley offers all the inducements to take pleasure the needs of a demanding and dynamic client. The options are varied in excursions, sports of adventure, ski, cultural and environmental routes.

To know authentic places, to recover the sense of the time and to discover the sound of the silence, it is the essence of this exclusive destination.
